Free CII Water Audit Program

Newhall County Water District is offering to Commercial, Industrial and Institutional (CII) customers an opportunity to save money and water. The audit will consist of a district representative visiting the site and creating a customized plan based on current water usage. Rebates of up to \$300.00 per AF saved are available to help implement the plan. Contact Customer Service at 661-259-3610 to schedule your free water audit.
