

NEWHALL COUNTY
WATER DISTRICT

Free Large Landscape Rebate Program

Newhall County Water District is offering a rebate program to homeowner associations, parks and landscape maintenance districts. The program is designed to evaluate your water usage and determine water savings through a free water audit. Rebates of up to \$300.00 per AF saved are available to help defer the cost of weather-based irrigation controllers, high efficiency sprinkler nozzles or other water saving devices. These devices are designed to save water which will save you money on your water bill. Contact Customer Service at 661-259-3610 to schedule your free water audit.
