

NEWHALL COUNTY WATER DISTRICT

Kathy Colley was newly elected to the Newhall County Water District (NCWD) Board of Directors in November of 2009 for a four year term.

Kathy graduated from North Syracuse Central High School in 1976. She married Edward Colley that same year. Over the next 19 years she followed her husband as he served in the US Army and Air Force in Europe, Ohio, New York, Texas, and Colorado. After her husband's retirement from active duty, Kathy, Ed, and their six children moved to the Santa Clarita Valley in 1995 where she became active in Zonta, a woman's service organization. Kathy earned her Registered Nursing (RN) degree and credential at College of the Canyons, and specializes in post-partum care.

Following the death of her son, Private First Class Stephen E. Colley, in 2007, while serving on active duty in the Army in Texas, Kathy became very active with the Tragedy Assistance Program for Survivors (T*A*P*S) that serves all military survivors.
